New Years Eve Party '16-'17 7:30pm – 2am

Dear Parents,

It has been another year and it is time to start thinking about our New Years Eve Party. **In an effort to keep the Roll Arena a safe and fun place for everyone to skate and enjoy themselves, we are asking that anyone participating in the New Years Eve party have the attached permission form signed and filled out.**

New for 2016-2017! – This permission form will turn into a permanent “Membership”. This membership has no extra cost. As we progress into 2017 it will be a requirement that anyone skating on a Friday or Saturday evening who is under 18 years of age be registered with parental info on file, and to check-in each session. This program will also open up the opportunity for rewards based on admission, and the ability to collect and save game redemption tickets on your “Membership Card”. A full information sheet will be handed out on December 31st.

The cost **at the door** this year will be \$13 + Skate rental if needed. Skates rent for \$2, and Roller Blades for \$4 and are on a first come first serve basis. We also will have a food package for \$3 which includes a slice of pizza or a hot dog and a small fountain drink.

We ask that the parent/guardian signing brings this form to the Roll Arena in person. It may be brought any day we are open for public skate leading up until New Years Eve. You can either pay at that time or pay the day of upon check-in. **Prepaid guests will have the option of either free regular skate rental, or a free small fountain drink from the snackbar.** Once this form has been turned in, the parent/guardian will not need to be present during check-in on the night of the party.

We also would like to remind you that parents who are spectating are free of charge. *(Children are not allowed to spectate)*

We appreciate your understanding and look forward to a great New Years Party and an even better 2017!

Thank you,
Roll Arena Management
